

AGORA FILMS

Your Gateway to Filming in Morocco

Founded in 1999, Agora Films is a Moroccan production and executive production company with a long track record supporting international feature films, series, documentaries, and commercials in Morocco.

Agora Films works as both executive producer and co-producer, combining international production standards with deep local expertise, established crews, location knowledge, and strong institutional relationships.

25+	100+	Morocco
Years of experience	International projects supported	Full-service production base

What We Do

- Executive production and local production management
- Permits, administration, and authority liaison
- Crew, casting, equipment, logistics, transport
- Location scouting across Morocco
- Budgeting, scheduling, and cost optimization
- Support for features, series, streaming productions, documentaries, and commercials

Casablanca, Morocco | www.agora-films.com

Production Base: Morocco

Why Morocco

- A wide range of cinematic landscapes: desert, mountains, medinas, cities, coast, and contemporary architecture
- Close to Europe, Africa, and the Middle East
- A proven destination for major international productions
- Competitive production costs and experienced local crews
- Long-established film infrastructure and film-friendly environment

Why Agora Films

- More than two decades of hands-on production experience
- Experience with Netflix, TF1, Canal+, ARTE, Pathé, Europacorp, France 2, BBC and more
- A practical, solution-driven partner on the ground
- Strong local network and proven reliability on complex shoots
- Ability to bridge international expectations with Moroccan execution

Our Approach

- Prepare: scout, budget, schedule, plan permits and local requirements
- Produce: manage crews, locations, logistics, equipment, casting, and day-to-day execution
- Deliver: ensure international quality standards, budget discipline, and smooth wrap-out
